Please refer to the diagram on the following page for clarification.		Please mark measurement in inches in this column.	
1	Neck		Measure around the base of the neck. Add ½” for men’s dress shirt sizing.
2	Shirt Sleeve		Measure level to the floor from center back between shoulder blades around bent elbow to wrist bone. Add 2-4” for men’s dress shirt sizing.
3	Bicep		Helpful to have for many different body types.
4	Chest/Bust		Measure around the fullest point level with the floor.
5	Natural Waist		Measure around the smallest point level with the floor. Until recently, waistbands were most often worn at the natural waist.
6	Pants Waist		Always falls 3” below natural waist and is helpful to have for modern clothing and men’s pants.
7	Low Hip		Measure around the fullest point of the bum or 9” below natural waist.
8	Inseam		The average measure from ankle to floor without shoes is 3”.
9	Waist to Ankle		Measure from Natural Waist to ankle.
10	Waist to Knee		Measure from Natural Waist to the bottom of the knee.
